

Statement from the Superintendent -

Today, November 5, 2009, all middle and high school students received a letter from the Towns County Department of Health with a permission form and information sheet about the free H1N1 vaccine that will be given at the schools on November 12, 2009.

If you would like for your child to receive the free vaccine, please read and complete the Immunization Permission Form in the packet and return this permission slip to your child's teacher by November 9th. Only students with signed permission forms will be given the vaccine.

If you have any additional questions or concerns about the vaccine, please call the principal of your child's school or Mrs. Roxanne Barrett at the Towns County Department of Health.

Thank you,

Dr. Richard Behrens
Superintendent
