Emergency orders may be placed occasionally. The awarded Distributor is expected to make delivery within twenty-four (24) hours of notification. Delivery Requirements.

Distributors must be able to meet the following delivery requirements or they will be determined to be non-responsive or non-responsible and not eligible for award. A Distributor that cannot meet one of these delivery requirements should either not participate in the solicitation or should seek a request for material substitution as set forth in Section V. Requests for material substitution of products, services, or contract terms above.

The District and distributor will agree upon a bi-weekly or weekly delivery schedule prior to the start of the contract period. Only an authorized school nutrition representative, such as a cafeteria manager, may accept and sign for deliveries. However, cafeteria managers do not have authority to vary the terms of the agreement. If it is subsequently determined through an audit or otherwise that a cafeteria manager has accepted for delivery goods and or services that do not comply with the specifications or pricing terms of this agreement, then Distributor agrees to correct its delivery or nonconforming goods and/or services by replacing the non-conforming goods and/or services at distributor's expense, cancelling any charges for non-conforming goods and/or services, or reimbursing the district for the price paid for any non-conforming goods and/or services.

All deliveries made to district sites shall require inside delivery. District staff will not participate in the removal of merchandise from any truck or transport vehicle.

The number of delivery sites and delivery site addresses are subject to change due to the needs of the District.

Minimum Order Clause.

Any minimum order requirements imposed by the Distributor shall be stated on bids prior to bid opening and contract award.
