## Immunization Requirements for Towns County Schools

All Children entering Towns County Schools are required to meet the following:

NEW \*\*A Hearing, Vision, Dental and Nutrition Screening must also be completed on Georgia Form 3300. All immunizations are required to be on Georgia Form 3231 and must be current in order for your child to be enrolled in Towns County Schools.\*\*

1. Have the required doses of Hepatitis B, Diphtheria, Tetanus, and Pertussis (DTP) and polio vaccines.
2. Have two doses of Mumps, Measles, and Rubella (MMR) or two doses of Measles vaccine, two doses of Mumps vaccine, and one dose of Rubella vaccine or laboratory proof of immunity against Measles, Mumps or Rubella. If child is under four, at least one dose is required.
3. Have two doses of Varicella (chicken pox) vaccine or documentation of disease or laboratory proof of immunity. If child is under four, at least one dose is required.
4. If your child is under five years of age, he/she must have protection against pneumococcal disease. He will need the Pneumococcal Conjugate vaccine (PCV). The number of doses needed will depend on the child's age. Your child must have at least three doses of HIB.
5. If your child was born on or after January 1, 2006, he/she must have two doses of Hepatitis A (Hep A) vaccine or laboratory proof of immunity. The first dose must be given on or after the first birthday with spacing of six months or greater between doses.
6. If your child was born on or after January 1, 2006, he/she must have at least four doses of Polio (OPV and/or IPV). The final dose must be given on or after the fourth birthday and must be at least six months from the third dose.
7. **For students entering from out of state, please contact the Georgia Health Department or a Georgia licensed physician to have immunizations transferred to the Georgia Certificate form 3231.**
